SPONSOR DUTIES

- 1. Spend time in personal preparation for your stay at Hesperus. Remember that you are a participant in the camp program, not an observer. This week will be intense and active. It will not be a week of relaxing vacation, but will be very rewarding. Work to identify the unique needs of each child or youth in your group. Commit yourself to carry out these sponsor duties.
- 2. Encourage and monitor proper dress among your own campers and set a good example with your clothing.
- 3. Campers in your care should be well-behaved and respectful of others. Help campers be present and on time for all classes, activities and worship services. Participation is not optional for you or the campers in your care. Encourage participation and promptness by example.
- 4. Help ensure a spiritual environment during worship. Explain expectations (for example, no picture taking, no hats, *etc.*) during worship to campers at the beginning of the stay. Before worship services counselors should spread throughout the auditorium and pay close attention to members of the group likely to cause disruption; model active participation in worship. Be prepared for worship by having pen, paper and Bible.
- 5. Look for counseling opportunities throughout the day. Offer spiritual guidance to members of your group when appropriate. Especially be on the lookout for loners or members of your group with special needs.
- 6. Enforce the curfew for being in the cabins and time for lights out/no noise. Campers get more out of camp when they are rested. Please abide by this strictly. Noisy or late groups disturb other groups. Sponsors who have difficulty enforcing this guideline cause trouble for other sponsors. You are responsible for keeping the cabins clean; this includes all buildings used for camp. Encourage campers to pick up trash, etc.
- 7. Your group leader will assign you no more than 10 youth (or 6 kids for Kids Camp) for whom you should pray and with whom you should develop relationships as you prepare to attend camp. Sponsor/camper groups should remain together at camp. You may be assigned additional children or youth from other churches upon registering at camp.

HEALTH INFORMATION

Hesperus Camp operates under a Child Care License in the State of Colorado. To maintain that license, we must strictly adhere to a number of guiding laws pertaining to medical issues. Escalating regulations require us to operate in an increasingly restrictive manner, which we understand may cause unfortunate inconvenience and cost to you. As such we are striving to streamline the process and eliminate any confusion, with the ultimate goal of having an incredible camp experience. Please read and understand the following regulations and procedures. Please call us if you have questions or need clarification: (970) 385-4389.

These medical regulations fall into four primary categories, each of which affect our ability to serve an individual as a guest. Below are listed each category and an explanation of the laws pertaining to it.

In the event that I should need emergency medical care or attention, Hesperus Baptist Camp (HBC) or any one of its agents or employees is hereby authorized to provide such emergency medical care, including without limitation, medical, dental, surgical care or hospitalization, to me as is recommended or suggested by a health care professional.

If such emergency care is provided, I understand that my health insurance information will be given to the health care professional and that any expenses not covered by my insurance shall be my responsibility. I understand that HBC will not be obligated to pay either the health care professional or me for any medical expenses incurred.

There are instances when third party contractors are used to operate and supervise various events and activities (such as whitewater rafting). In those instances, where third party contractors are used, I agree to hold harmless the third-party contractor and HBC for the action of these third-party contractors with respect to injury, disability, death, or loss or damage to person or property. I further agree that HBC is also not liable for the actions or activities of participants or sponsors participating in events or activities operated by third party contractors.

I understand that the risk of injury from any recreational activity (including whitewater rafting and zip lines) is significant, including, but not limited to, the potential for permanent paralysis and death. While particular rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist. I knowingly and freely assume all risks, both known and unknown, even if arising from negligence, and assume full responsibility for my participation and observing of such recreational activity.

Furthermore, in consideration of being allowed to attend HBC, I hereby waive any and all causes of action, rights, claims or suits which I may have against HBC, its agents or employees as a result of injury to me, including, but not limited to: (1) injuries arising from participation in or observation of recreational activities at HBC, and (2) injuries arising from the decision of HBC or its agents or employees to consent to the provision of emergency medical care to me.

I give authority and permission to HBC, its employees or its agents to inspect my belongings while at HBC.

Child Protection PoliciesDiscipline Guidelines & Abuse Reporting

Under Colorado Statutes, Hesperus Camp is responsible for the safety and welfare of all of our campers/guests. Under our Residential Camp Childcare License all sponsors/leaders of our groups share in that responsibility as an extension of our camp staff. As such it is mandatory that the following policies be understood and agreed to.

GENERAL CONDUCT

- Possession or use of beverage alcohol in any form is prohibited. Possession or use of any drugs, other than by prescription or obtainable "over the counter" is prohibited. Possession or use of any lethal weapon is prohibited on camp. Unless you are staying in a locked private room, all medications are required to be turned in to the first aid staff at registration.
- Leaders will respond to children and youth with respect, consideration and equal treatment, regardless of sex, race, religion, sexual orientation, culture or socio-economic status. Leaders will portray a positive role model for children and youth by maintaining an attitude of respect, patience, and maturity. They will avoid even the appearance of favoritism.
- One-to-one conversations with children or youth will be done in an open or public or other place where private conversations are possible but occur in full view of others.
- Leaders are prohibited from dating, becoming romantically involved with, or having sexual contact with a child or youth.

CHILD DISCIPLINE

Discipline shall be constructive or educational in nature and may include such measures as diversion, separation from problem situations, talking with the child about the situation or praise for appropriate behavior.

- 1. Campers shall not be subjected to physical harm, fear or humiliation.
- 2. Campers shall not be punched, shaken, bitten, roughly handled, pinched or subjected to any physical punishment.
- 3. Separation, when used as discipline, shall be brief and appropriate to the camper's age and circumstances and the camper shall be within hearing range of an adult in a safe, lighted, well ventilated place (not a locked room or closet).
- 4. No camper shall be punished for toileting accidents.
- 5. Verbal abuse or derogatory remarks about the camper, their family, race, religion or cultural background are not allowed.
- 6. Meals may not be denied to the camper as a disciplinary measure.
- 7. Authority to punish shall not be delegated to another camper.
- If a camper needs to be sent home the Executive Director of Hesperus Camp must be involved.

CHILD ABUSE REPORTING

Under the "Child Protection Act of 1987" (C.R.S. 19-3-301) in the Colorado Children's Code, child care center workers are required to report suspected child abuse or neglect. The law at 19-3-304 states that if a child care worker has "reasonable cause to know or suspect that a child has been subjected to abuse or neglect or who has observed the child being subjected to circumstances or conditions which would reasonably result in abuse or neglect shall immediately report or cause a report to be made of such fact to the county department or local law enforcement agency."

"Abuse" or "child abuse or neglect" means an act or omission in one of the following categories which threatens the health or welfare of a child: skin bruising, bleeding, tissue swelling, or death; any case in which a child is subjected to sexual assault or molestation, sexual exploitation, or prostitution; any case in which a child is in need of services because the child's parents, legal guardian, or custodian fails to take the same actions to provide adequate food, clothing, shelter, medical care, or supervision that a prudent parent would take.

If at any time a staff member reasonably suspects child abuse, it is the responsibility of that staff member to report or to cause a report to be made of this suspicion to the La Plata County Department of Human Services at 970-382-6150 or the Sheriff's Office at 970-385-2900. It is not staff's role to investigate suspected abuse--only to report it. Persons who make a good faith report are immune from civil and criminal liability. Additionally, the law provides for the protection of the identity of the reporting party.

A child care worker who fails to report suspected child abuse or neglect commits a class 3 misdemeanor and will be punished as provided in section 19-3-304(4)(a)(b), C.R.S. The staff person could also be liable for damages "proximately caused thereby."

Standard Precautions Training 2020

Under Colorado law, Hesperus Camp operates under a childcare license issued by the Colorado Department of Human Services (CDHS). By definition, all adults that supervise minors are considered to be "staff members" of the Hesperus Camp. A new requirement this year is Regulation 7.711.22.D which states that "All staff members must complete a Department-approved Standard Precautions training prior to working with children. This training must be renewed annually and may count towards ongoing training requirements."

The Standard Precautions training is Colorado specific and may be done online through one of the certified vendors. Hesperus has negotiated a reduced rate with **Colorado CPR & Safety Professionals** to facilitate the online training.
